

# Giving Hearts Day Gift Card Instructions

## Congratulations! You have a Giving Hearts Day 2024 Gift Card!

A Giving Hearts Day Gift Card has been purchased by your employer for the sole purpose of making a donation on Giving Hearts Day. The gift card works just like any other gift card. Here's all you have to do to use it:

### Step 1

Visit [GivingHeartsDay.org](https://GivingHeartsDay.org).

### Step 2

Search the list of over 600 participating charities, and choose one (or multiple) to give to.

### Step 3

Proceed to the checkout to enter the claim code on your gift card (see example below).

A few things to keep in mind when you redeem your gift card:

- If your gift card and donation amount are equal, no additional payment will be needed.
- If your donation is more than the amount on your gift card, you will need a credit card to complete your transaction.
