

BE A PART OF OUR REGION'S BIGGEST GIVING DAY

by hosting a Giving Hearts Day Food Drive!

Here's how it works:

- Pick a local food pantry you want to support.
- Host a food or goods drive during a time that is convenient for your business between Jan. 8 – Feb. 8.
- DMF will supply you with a cut-out of the official GHD mascot, Henry the Heart, as well as a toolkit and other resources you can use to promote your drive.
- Your location will be added to a virtual map on our website that people can use to find a drop-off site near them. You can invite employees, customers, and the general public to participate. Everyone who gives is entered into a drawing to win additional dollars for GHD charities.
- During the week of Giving Hearts Day (2/5-2/9), deliver your donated items to the food pantry you selected.
- Check your email the week of Feb. 12 for a reporting link that we will provide. This is where you will report pounds or number of food items collected.
